Subject:- Material for the Annual Report of the
 Commissioner for Scheduled Castes and
 Scheduled Tribes for the year 1953 -
 Percentage of Scheduled Castes and Scheduled
 Tribes serving under the State Governments.

Sir,

I am directed to say that information in the attached proforma is required for incorporation in the Annual Report of the Commissioner for Scheduled Castes and Scheduled Tribes for the year 1953. Commissioner would be glad if the required information is furnished to this office by the 30th November 1953. positively, simultaneously sending a copy thereof to the (Regional) Assistant Commissioner for Scheduled Castes and Scheduled Tribes (where one has been appointed).

2. It was noticed from the information furnished by the State Governments for inclusion in the Commissioner's Report for the year 1952, that it was received in the office piecemeal from a number of States. ~~This~~ This caused much delay in the preparation of Report and also created unnecessary extra work for this office. It is, therefore, requested that the information in respect of the State as a whole should be collected and a consolidated statement in the attached proforma should be prepared and sent to this office in duplicate.

3. It was further noticed that some of the State Governments did not submit the information within the time limit prescribed. In some cases no information was received at all. This did not result only in delay in the preparation of the Report but also left the Report incomplete. The State Government are, therefore, requested to ensure that the required information is collected by them in time to enable them to furnish the consolidated information to us by the 30th November, 1953, positively.

4. It is clear from the information received last year that the representation of Scheduled Castes and Scheduled Tribes in State Government services is very poor. It is, therefore, requested to kindly let us have detailed reasons which, in their opinion, are responsible for the under-representation of these people in services under them. They should also please let us have details of the steps taken by them for increasing the intake of the Scheduled Caste and Scheduled Tribe persons in Government services.

5. The latest policy of the State Government with regard to the preservation in Government services for Scheduled Castes and Scheduled Tribes should also please be intimated. Two copies of the instructions issued in this connection should also please be furnished.

Circular No. P.A.C. 1053

Bombay Castle, 20th August 1953.

CIRCULAR OF GOVERNMENT

The attention of Government was recently drawn to a certificate issued by a Magistrate in which a candidate belonging to the 'Gawali' community was certified as belonging to the Backward Class. Apparently the Magistrate had mixed up the 'Gawali' Community with the 'Gopal' Community mentioned in the list of other Backward Communities shown under the Backward Class-vide Government Resolution, Political and Services Department No. 420/46, dated the 1st November 1950. Government is pleased to clarify that the Gopal community mentioned in the list of other Backward communities is different from the Gawali community. The latter community was previously classified as 'Intermediate' and is not to be treated as a non-backward community.

The Magistrates who might have issued certificates to persons who belong to the 'Gawali' community that they belong to the Backward Class should ask the persons concerned to surrender the certificates and grant them fresh certificates after carrying out the necessary correction.
